The poster features a purple and blue space-themed background with stars. At the top left is the logo for the Shenzhou-13 crewed flight mission. In the center, the large text '天宫课堂' (Tiangong Classroom) is displayed vertically. To the right, the text '第一课' (First Class) is shown above a list of participating locations: '地面主课堂' (Main Ground Classroom) at '中国科技馆' (China Science and Technology Museum), and '地面分课堂' (Ground Sub-Classrooms) in '广西南宁' (Nanning, Guangxi), '四川汶川' (Wenchuan, Sichuan), '香港' (Hong Kong), and '澳门' (Macau). At the bottom, three astronauts—Zhai Zhigang, Wang Yaping, and Ye Guangfu—are shown in their spacesuits. Their names are written below them: '翟志刚' (Zhai Zhigang), '王亚平' (Wang Yaping), and '叶光富' (Ye Guangfu). The text at the very bottom reads: '— 神舟十三号乘组航天员将在空间站进行太空授课 —'.
